

Jahn Monuments

Creating
Timeless
Tributes

The journey to remember begins with you

Monuments are a focus for remembrance,

Creating a permanent place to remember is what we do.

To help you plan a fitting tribute, it is best to meet in your home or our office. We will discuss:

- Design, lettering, carving & symbolism
- Size, color & granite quality
- Cemetery regulations & foundation cost
- Several cost options to determine what best suits your budget.

With every memorial purchased from Jahn Monuments you will receive:

- Scaled Drawings
- Lettering & Carving
- Delivery & Installation
- Written Guarantee

Upright Companion Monuments

Memorial color, shape, size, lettering style and

We will help you on your journey to remember by...

- Reflecting on you and/or your loved one's gifts and lessons
- Helping you understand your options
- Designing a monument that captures your memories

finish are determined according to personal choice.

Upright Single Monuments

A Monument is...

- A symbol of devotion
- A tangible expression of love
- A reflection of warmth and affection
- Built to commemorate life, not death

Visualize your memorial with our full color drawings.

Slant, Bevel & Lawn Level Memorials

Help Us Tell Your Story...
Your Precious Memories...
With Our Creative Ideas...
Carved in Stone for Eternity.

Let us not forget.

Rather let us remember fondly
those whose lives collided with ours
in a beautiful array of memories;
memories that will forever be
ours and will never fade away.
